NORTH HOUSTON DISTRICT NEWS

Year in Review

WINTER 2026

MESSAGE FROM THE PRESIDENT

Welcome to the Winter 2026 edition of Quadrants.

Before we get too far into 2026, we wanted to pause and share what the North Houston District accomplished in 2025. Inside this issue, you'll find a collection of facts, figures, and highlights that show how the District delivered programs, projects, and services throughout the year.

Our work focuses on keeping North Houston appealing, safe, accessible, and green—so investors want to invest here, businesses want to locate here, and people want to work, live, and visit here. This edition of Quadrants breaks that work down by leadership and department and presents it in a visual, easy-to-explore way.

There's a lot to be proud of, including:

Providing **four** electric bikes to support Houston Police Department patrols in our parks and trails

Painting **24,300** linear feet of curbs to brighten corridors and improve safety

Completing a **\$1 million** renovation to Wussow Park in the northeast quadrant

Sharing the District's story through three editions of Quadrants, with more than **30,000** copies mailed

Continuing strong stewardship of District resources with **another clean audit**

You'll find these accomplishments—and more—as you flip through this issue. I hope you enjoy this fun take on our work and come away with a greater appreciation for the progress happening across the District.

Sincerely,

Greg Simpson
President, North Houston District

PUBLIC SAFETY

We supplement the work of local law enforcement agencies by funding a variety of programs to help keep the area safe: the lease for the current Houston Police Department North Belt Division, a district-specific "task force" of members of the Sheriff's Office, Houston Police Department Special Operations initiatives, an off-duty officer patrol program, and private security patrols.

FIELD SERVICES

We want the District to be recognized for its cleanliness and beauty. Our Field Services programs deal with the “nuts and bolts” of making that happen – graffiti abatement, illegal dumping removal, street sweeping, and much more. Through relationships with District contractors and partners, we monitor the area, swiftly address issues where we can, and report problems to appropriate city and county departments when necessary.

PLANNING & INFRASTRUCTURE

We strive to encourage growth by funding plans and projects that create a sense of place, improve mobility, enhance resiliency, and encourage community revitalization across our service area. Our Planning and Infrastructure work focuses on flood mitigation, gateways and wayfinding, park and trail development, transportation and mobility, and public art and placemaking.

North Houston District

16945 Northchase Drive, Suite 1900
Houston, TX 77060
281-874-2131
northhouston.org

The North Houston District is a management district that advocates for projects and services that attract the best in commercial and residential life to the area.

It's a special-purpose district created by the Texas Legislature and provides enhanced services in public safety, planning and development, beautification and maintenance of public rights of way, and development of parks and trails.

The District's service area includes four quadrants that span across the intersection of I-45 North and Beltway 8.
